A: The term most familiar to you is Qur'an or its plural Qur'an. "Quran" is not in common usage. Some nouns are equivalent in meaning and usage: Noorani Qaida or Noorani Qaida is a modern Indian (Indian Language) term with meaning "Urdu Quran". The Urdu is the modern day version of the language in use in the time of the Prophet Muhammad, peace be upon him. The Arabic (the language of the Quran) would have been spoken in the time of the Prophet Muhammad, peace be upon him, and would have been a different language from Urdu. Both Noorani Qaida (Urdu) and Qur'an mean "the Holy Quran" Urdu is the language of Hindustan. It is the standardised version of Hindi, which is a language spoken in India. So Urdu is the standardised version of Hindi (or the standardised version of a variety of Indian languages). Q: Ionic 3 - closing modal dialog How do I close the modal dialog if you click on a button? This code: public date = ""; constructor(public navCtrl: NavController, private modalCtrl: ModalController, public http: Http, public toastCtrl: ToastController, private alertCtrl: AlertController) { this.date = new Date(); } async getData() { this.navCtrl.push('HomePage'); this.navCtrl.popToRoot(); } public ionViewDidLoad() { this.date = new Date(); } public buttonClicked(data) { //var modal = this.modalCtrl.create(ModalContent2, { // title: 'Entering' //}); this.modalCtrl.dismiss(); //I don't know what to put here. } the buttonClicked (data) function is fired on a button click in a dialog. How do I send data to the parent? I am using this.navCtrl.push('HomePage'); because I am on the homepage, and I don't want to move the user there, I just want the user to 3ef4e8ef8d
